## LEYCO®-MC 2001

Product-No. 20.519

### SPECIAL CLEANER

#### DESCRIPTION

LEYCO®-MC 2001 quickly and without traces removes graphite, greasiness, oil, coal, ink, wax, soot, industrial dirt, algae, resin, moss, and other persistent layers on metal, concrete, ceramics, marble, plastic and varnished surfaces, plastic coated materials, etc.

#### ADVANTAGES

- Not flammable
- Does not damage materials
- Biologically soluble
- Economical
- Dissolves dirt
- Odourless
- Tested by Hygiene Institute in Gelsenkirchen

#### TECHNICAL DATA

Density:	1,08 g/cm <sup>3</sup>
Colour:	red
Concentration:	1: 5 – 1: 30
To prepare cleaning:	undiluted to 1: 3
pH value:	13

#### APPLICATION

Apply LEYCO®-MC 2001 with a spray, cloth or brush using a 1 : 5 or greater ratio. Leave for a while, rinse and wipe with a rubber slide rule or a cloth. LEYCO®-MC 2001 is also used with common steam or high-pressure cleaners. Contains special inhibitors, which reduce tartar. For best results spray diluted LEYCO®-MC 2001 and clean with a steam or high-pressure cleaner with plenty of clean water.

#### STORAGE

Do not expose to frost or flame. Keep in cold place in well-closed containers.

Expiry date: 12 months from the date of production.

#### PRECAUTIONARY MEASURES

Avoid contact with eyes or skin. If it gets in contact with eyes or skin, wash with plenty of running water. If applied with hands, use rubber gloves. Keep away from sources of ignition. No smoking!

#### REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
