

LEYCO[®]-ME

CONCENTRATED METAL CLEANER WITH ANTI CORROSION EFFECT

- Cleans carefully
- Economical
- Produces shining surfaces
- Bio degradable
- Contains no solvents

LEYCO[®]-ME is used both manually as well as by machine.

Works in the best way for the cleaning and defurring of coins and other metal parts.

LEYCO[®]-ME

Product-No. 20.226

CONCENTRATED METAL CLEANER WITH ANTI CORROSION EFFECT

DESCRIPTION

This Weak alkaline, slightly foaming cleaning concentrate contains special corrosion protection for the careful cleaning and degreasing of all metals (also plastic parts).

LEYCO[®]-ME smoothes the surfaces and edges and lets the metal parts shine.

BENEFITS

- corrosion protection
- contains no solvents
- bio degradable
- economical
- produces shining surfaces
- cleans carefully

TECHNICAL DATA

Density: 1.03 g/cm³

pH value: 11

COMPOSITION

5 - 15 % nonionic Tensides, 1 - 5 % anionic Tensides.

Further contents materials: Control agent.

APPLICATION

With employment in splashing procedures the application solution should amount to 1:30 1:50, in the partial wash equipment 1:10 - 1:20.

With application in the sharpening procedure (flow procedures / batch process) approx. 0,3 % - 1,0%.

STORAGE

Protect from frost. Store in a cool dry place.

Protect from fire and in sealed containers

Minimum shelf-life 30 months.

PRECAUTION

With the appearance of this expenditure all previous technical instruction cards are invalid. Our recommendations, which we give after best knowledge and based on experiences for many years, are noncommittal and justify no contractual legal relation. The processing and quantities are to be co-ordinated with respective local conditions.

REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
