

LEYCO[®]-RAC MF

SPECIALIST ALUMINIUM CLEANER

- Dissolves weathering, oxide, traffic film and diesel smoke stains
- Leaves a gloss finish
- Mix with up to 7 parts water
- No mechanical cleaning necessary
- Economical
- Biodegradable
- UBA-No.: 0595 - 0036

LEYCO®-RAC MF assigned for the cleaning of refuse lorries, trailer bodies, footrests, window sills, railings, flag poles, aluminium sheet, extremely dirty washbasins and tiles and for general use in aluminium processing.

Do not use on anodized aluminium!

Furthermore to the removal of lime scale, cement dust, soap and greasy deposits on taps, showering heads, tiles, wash basin etc.

LEYCO®-RAC MF should not be used on anodised or polished aluminium or glass. Similarly with ceramics, a low dilution that is rinsed off quickly should be used.

Differing cleaning times can cause slight differences in the gloss afterwards. Spray from below when applying the product and wash off with plenty of water from above.

Do not use on glass !

LEYCO®-RAC MF Product-No. 20.171
