

LEYCO[®]-SOLV 2001

TÜV CHECKED FUEL OIL ADDITIVE WITH AGING PROTECTION

- Slows down the deposition of carbon within heating systems of vehicles
- Disseminates carbon deposits
- Helps to prevent cold weather starting problems
- Very stable in storage
- Reduces pollution emissions
- Increases the annual consumption index up to 6%

LEYCO[®]-SOLV 2001 is mixed with the fuel oil in the storage tank. The dilution in the fuel oil should be 1 part LEYCO[®]-SOLV 2001 to 2000 parts water. Once applied it mixes automatically.

LEYCO[®]-SOLV 2001

Product-No. 20.198

FUEL OIL ADDITIVE

DESCRIPTION

LEYCO[®]-SOLV 2001 reduces the carbon lining on the heater element of the boiler, and helps to achieve the optimum heat emission from the system.

LEYCO[®]-SOLV 2001 dissolves any carbon deposits within the heating system and reduces any problem of starting the heating system in cold weather. It also improves the stability of the fuel oil whilst in storage.

BENEFITS

- pollution free
- increases the efficiency up to 6%
- reduces pollution emissions
- optimizes the heat output of the system
- improves the stability of the oil in storage

TECHNICAL DATA

Density/pouring weight: 911 g/l

Appearance: light brown

Form: liquid

Flash point: approx 61°C

Water solubility: insoluble

APPLICATION

LEYCO[®]-SOLV 2001 is TÜV approved and suitable for all modern burners and rocket burners.

CHARACTERISTICS

LEYCO[®]-SOLV 2001 improves the combustion of the fuel in the boiler and reduces the formation of carbon deposits. Existing deposits of carbon and soot are reduced by the use of LEYCO SOLV 2001.

LEYCO[®]-SOLV 2001 contains special active substances, which increase the shelf-life of the fuel oil

STORAGE

Store in carefully sealed containers. Store in a cool dry place. Minimum shelf-life 30 months.

PRECAUTION

LEYCO[®]-SOLV 2001 affects the eyes and the skin. Avoid contact with the eyes and the skin. Do not inhale the fumes if this product is burnt, or the vapour whilst poured or sprayed. Causes lung damage if swallowed. Do not induce vomiting if this product is swallowed. Immediately seek medical advice and present the physician with a data sheet. Always refer to the product data sheet.

REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale. 09.01.04
