

# LEYCO<sup>®</sup>-TS

## CLEANER WITH ADHESIVE FOAM AND GREAT POWER FOR DISSOLVING DIRT

- Works actively on the most persistent dirt and dissolves it in a few seconds
- Simply wipe with a dry or wet cloth and that's it!
- Removes soot, ink, oil and greasiness
- It proved excellent for cleaning car interior – seats, doors, ceiling
- No traces
- Biologically soluble
- CFC and CHC free

LEYCO®-TS has proved excellent for cleaning stains on carpets and seat covers and for cleaning car interior – seats, doors, ceiling.

LEYCO®-TS is used in airplane industry, all industrial sections, workshops, car factories, shipping firms, gastronomy and big kitchens. The product is excellent for removing nicotine stains, especially on car ceilings because the adhesive foam stays on surface and leaves enough time for cleaning ceilings thoroughly. It removes almost any stain on carpets and seat covers, without leaving traces.

**LEYCO®-TS**

Product No. 20.510

## **CLEANER WITH ADHESIVE FOAM AND GREAT POWER FOR DISSOLVING DIRT**

### **DESCRIPTION**

Adhesive foam, applied with an aerosol sprayer, works actively on undesirable dirt and dissolves it in a few seconds. Combined with the environmental friendly gas under pressure, the product cleans powerfully even the most persistent layers. Due to these advantages, it dissolves soot, nicotine, insects, ink, wax, oil and greasiness, which can then be easily removed. The substances it contains are organically soluble in a higher degree than indicated by law.

### **ADVANTAGES**

- Works actively on the most persistent dirt and dissolves it in a few seconds
- Removes soot, ink, oil, greasiness
- No traces
- Biologically soluble

### **TECHNICAL DATA**

Density (20°C):	around 1,02 g/l
pH value:	11,5
Contains:	< 5% phosphates < 5% anionic surfactants < 5% silicates
Other substances:	solvents and perfumes

### **APPLICATION**

Spray LEYCO®-TS with an aerosol can onto desired spots. The adhesive foam is immediately created. Leave for a while and simply wipe out or rub with a dry or wet cloth and that's all! Do not leave to dry on glass surfaces – it can damage the glass.

### **IMPORTANT NOTICE**

Frost does not affect the quality of the product.  
The level of water pollution:  
WGK 1 = slightly pollutes water (rough estimate).  
Not harmful in the sewage system at the indicated concentration level.

### **REMARK**

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
