

LEYCO[®]-ZAC 2

LIGHT FOAM CLEANER FOR REMOVING AREAS OF LIMESCALE

- Can be used in closed circuit water systems
- Economically and highly concentrated — dilutes 5 -15 times with water
- Possesses an antimicrobial effect
- Does not attack the surfaces
- Biodegradable
- UBA-No.: 0595 - 0061

LEYCO®-ZAC 2 is a light foaming high speed decalcifying cleaner, which is used in swimming pools, showers and changing rooms, instant water heaters, pipes, boilers, cooling water systems etc...

Apart from its outstanding cleaning and decalcifying characteristics, LEYCO®-ZAC 2 also has a pronounced antimicrobial effect. Therefore it can stop the formation of algae in cooling systems, and the growth micro organisms (mildew) in changing rooms and showers.

LEYCO®-ZAC 2 can be applied on all acid and water-resistant materials e.g. glass, tiles, ceramic(s), concrete etc...

LEYCO®-ZAC 2

Product-No. 20.250

LIGHT FOAM CLEANER FOR THE REMOVAL OF LIMESCALE

DESCRIPTION

LEYCO®-ZAC 2 is a tenside free, light foam cleaner and descaler based on inorganic acids.

BENEFITS

- Biodegradable
- Antimicrobial effect
- Economical through strong concentration
- Universally applicable

TECHNICAL DATA

Form: liquid
Colour: brownishly, clearly
Density: with 20°C 1,09 g/cm
Dilution: depending upon contamination to 1:10
pH value: approx. 1,0

APPLICATION

Depending upon the degree of pollution and/or the strength of the lime deposits LEYCO®-ZAC 2 can be diluted up to 1:10 with water. With extreme cases LEYCO®-ZAC 2 can be applied undiluted. The dilution can be applied with the normal spraying devices or by the means of sponge. Allow the LEYCO®-ZAC 2 to work for approx. 5 min, afterwards rinse with clean water and brushes. In the case of closed water circulation systems, allow the dilution to travel through a couple of times to ensure that it works effectively. Once it has been through, flush the system out with clean water a couple of times.

STORAGE

Store away from frost, in a cool dry place in tightly sealed containers.

Minimum shelf-life 30 months.

PRECAUTIONS

Do not eat or drink around this product. Avoid Contact with eyes and skin. Immediately wash splashes off skin with plenty of clean water. Use rubber gloves. Avoid naked flame.

UBA-No.: 0595 - 0061

REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
