

LEYCO[®]-ODEUR

SMELL NEUTRALIZER

- Eliminates unpleasant smells and odours from textiles such as car seats, clothing, mattresses and shoes
- Does not stain or leave any trace
- Simple application - sprayed carefully from approx. 30 cm
- Pollution free - does not need CFC harming gases
- Does not contain any dangerous materials

LEYCO®-ODEUR is an odour neutralizer that effectively eliminates even the most persistent smells on all types of textiles.

The smells are destroyed as the harmless spray dries, neutralizing the worst of the odour.

LEYCO®-ODEUR

Product-No.: 20.140

SMELL NEUTRALIZER

FIELD OF APPLICATION

LEYCO®-ODEUR is a liquid spray to neutralize unpleasant odours on all types of textiles and fabrics. Typical areas of use are vehicle seats and interior linings, curtains, clothing, mattresses and sports shoes and equipment that comes into contact with sweat.

LEYCO®-ODEUR works extremely well in smoking carriages on trains and coaches and in smoking rooms in work places and colleges.

DESCRIPTION

LEYCO®-ODEUR is an aqueous product that is economically sprayed onto the effected textile. As the product dries the smell disappears, so that it has a neutral odour, rather than one that diguises the original smell with a perfume.

AVANTAGES

- Pollution free - does not need CFC harming gases
- Simple application
- Does not contain any dangerous materials
- Does not stain or leave any trace

TECHNICAL DATA

Density: 1,02 g/cm³
Colour : Colourless
Flaspoint: Not applicable
Form: Liquid
pH Value: 8

APPLICATION

Hold the spray about 30cm from the fabric and apply a thin and even film across the entire area.

Let the product work through the fabric and allow it to dry.

If you are unsure about the suitability of this product on the fabric, try a small sample on a hidden area of the material.

Take special precaution with silk fabrics.

STORAGE

Store in a cool dry place free from frost. Shelf life min. 30 months.

HEALTH AND SAFETY INFORMATION

Do not inhale sprayed vapours

If swallowed, do not induce vomiting, get immediate medical assistance and present label to the doctor.
