

# LEYCO<sup>®</sup>-RM 110

## LIQUID DISCALER

- Protects the heating coils of HD devices forwards lime deposits
- Temperature range of 50 - 140°C
- Not inflammable
- Biologically degradable - pollution free
- Smell-neutrally
- Economically

LEYCO®-RM 110 is an active liquid discaler, which protects the heating coils of the high pressure cleaner against lime deposit at temperatures up to 150°C.

LEYCO®-RM 110 is proportioned by adjusting the pulse generator at the HD equipment. The attitude depends on the hardness of the water, which can be inquired at the responsible water company. For adjustment the attitude program in the attachment-operator's manual is used.

LEYCO®-RM 110 does not affect the separator-friendly characteristics of the LEYCO-RM product row.

## LEYCO®-RM 110

Product-No. 20.178

### LIQUID DISCALER

#### DESCRIPTION

LEYCO®-RM 110 is an active liquid discaler without additive of EDTA. It is free from organic solvents and contains no chlorinated hydrocarbons.

#### BENEFITS

- not inflammable
- biologically degradably
- economically
- smell-neutrally

#### TECHNICAL DATA

Density:	1.02 g/cm <sup>3</sup>
Appearance:	blue
pH value:	7

#### APPLICATION

LEYCO®-RM 110 is proportioned by adjusting the pulse generator at the Hochdruckreinger. The attitude hangs of the hardness of the feed water off. You receive the water hardness of your water from the responsible water company. For adjustment you use the attitude diagram in the attachment-operator's manual. Temperature range: 50 - 140°C.

#### STORAGE

Frost-protected in carefully closed containers store. Minimum shelf-life 30 months.

#### PRECAUTION

Rinse with eye contact thoroughly with much water and doctor consult.

#### REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
