

# LEYCO<sup>®</sup>-SORB DRY

## NATURAL BONDING AGENT TO CONTAIN OIL AND CHEMICAL SPILLAGES

- Used to contain spillages of oils, grease, varnishes, acids, agricultural chemicals etc...
- Absorbent - quickly forms a compound with the spillage, stopping it in its tracks
- Easily applied
- Does not decompose in water or solvents
- Is anti slip whilst being used
- Innocuous for humans and animal - no dust formation
- Pollution free - consists of natural mineral materials
- Type III R

LEYCO®-SORB DRY is used for safely containing liquids when spilt in industrial and commercial environments.

LEYCO®-SORB DRY can be used whilst dangerous materials are being transported. It can be stored in the vehicle so that any potential spillages are contained.

## LEYCO®-SORB DRY

Product-No. 20.200

### NATURAL BONDING AGENT TO CONTAIN OIL AND CHEMICAL SPILLAGES

#### DESCRIPTION

LEYCO®-SORB DRY is a natural, oil bonding agent, made from mineral materials for soaking up liquid spillages.

**Type of oil binder: III - R**

Suitable for use in heavily trafficed areas.

#### BENEFITS

- pollution free
- Anti slip
- very absorbent
- dust free
- water-insolubly
- fire-retardant

#### TECHNICAL DATA

Density/pouring weight:	496 g/l
Appearance:	red-brown
Grit:	0.5 - 1.0 mm
pH value:	5 - 8

#### APPLICATION

Through its very fast working time, LEYCO®-SORB DRY is suitable for inside applications as well as outside ones, e.g. where machinery leaks oil and needs to be quickly soaked up to help health and safety.

Through its specific structure, a completely dry substrate can be achieved.

#### CHARACTERISTICS

LEYCO®-SORB DRY will not scratch the floor, therefore it can be used on all types of industrial and workshop floors.

**1 kg LEYCO SORB DRY forms a compound with approx. 1,3 litres of liquid.**

LEYCO®-SORB DRY forms a compound with all liquids, and even when pressurized the liquid is contained within the grains of the material.

LEYCO®-SORB DRY can be used as a fire extinguisher on small fires or as pollution free way of making icy or snow covered surfaces safer to walk upon.

#### STORAGE

Store in a dry place in sealed containers.

Shelf-life - unlimited.

#### PRECAUTION

LEYCO®-SORB DRY is classified as harmless.

#### REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
