LEYCO®-VIPP

Product-No. 20.527

MOIST CLEANING CLOTHS FOR INDUSTRIAL CLEANING

DESCRIPTION

LEYCO®-VIPP is supplied in a practical donor box. The cleaning cloths are soaked with a special cleaning liquid which supplies excellent cleaning in a very short time. The cleaning tenside used is highly biodegradable.

BENEFITS

- very economical
- cuts work time
- dissolves grease
- tensides are biodegradable
- can be used at any time

PROCESSING

LEYCO®-VIPP is supplied in a sealed container. After each cloth is removed, the box must be shut properly so that the cloths do not dry out.

APPLICATION

LEYCO®-VIPP removes all varieties of dirt from all work surfaces. It works particularly well on keyboards and PC accessories. Glass areas in the office and car can be cleaned fast and thoroughly of dust, nicotine and other contamination. After the cleaning of glass areas wipe over with a soft cloth. Particularly suitably where there is no flowing water available. Pen can be removed from the hands and skin, and human grease marks are easily removed from switches, sockets etc.

IMPORTANT NOTES

LEYCO®-VIPP should not be used on sensitive skin or used for childcare.
