

# LEYCO<sup>®</sup>-FR 200

## UNIVERSAL DIRT DISSOLVENT

- Cleans expediently and protects the material
- Thoroughly removes oil, grease and other dirt
- May be applied to all metal and plastic surfaces
- No organically tied halogens

LEYCO®-FR 200 is a highly-concentrated alcalic cleaner with universal cleaning power.

Oil, grease, dirt from the streets and other hardened dirt is removed thoroughly.

Cleans expediently and protects the material.

**LEYCO®-FR 200**

Product-No. 20.533

## UNIVERSAL DIRT DISSOLVENT

### DESCRIPTION

LEYCO®-FR 200 is used in forwarding enterprises, bus transport and general transport companies and shipbuilding, for cleaning of trucks, vehicles, canvas car tops, buses, containers, machines, metal and plastic surfaces and floors. In air transport, the product is used for cleaning of ground equipment, buses and vehicles used on runways.

### ADVANTAGES

- Cleans expediently and protects the material
- Thoroughly removes oil, grease and other dirt
- May be applied to all metal and plastic surfaces
- No organically tied halogens

### TECHNICAL INFORMATION

Density (20°C): ~ 1,05 kg/l (1 l = 1,05 kg)  
pH value: ~ 13,5

### USE

When used in high-pressure devices, the product should be poured undiluted into the reservoir of the device; the water jet should be dosed to contain between 0,25% and (max.) 1% of the product.

When applied by a spray, LEYCO-FR 200 should be diluted with water in advance – mixing ratio 1:20 at most. The ready-made solution should then be sprayed over the surface. Always spray vertical surfaces from the bottom upwards!

### PRECAUTIONS

Freezing does not affect the quality of the product.

Water pollution class: WGK 1 = light pollutant (producer's estimation)

Easily dissolvable in the sewerage system if used in prescribed concentration. The product does not contain organically tied halogens.

### REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale.
