

*With the **LEYCO-LS 3**, you seriously reduce cleaning time*

LEYCO-LS 3 has been developed through close teamwork with our successful partners in the construction industry.

Profit from the positive experience of your industrial partners or your competition!

LEYCO[®] -LS 3

DEGREASER FOR INDUSTRIAL AND CATERING ENTERPRISES

LEYCO-LS 3 is the ideal degreaser for industrial and catering enterprises. It quickly removes a variety of dirt such as graphite, fats, oil, coal, ink, wax, industrial dirt, smoke residue etc...

LEYCO-LS 3 can be applied to all types of surfaces - metal, concrete, ceramic, marble, plastics and painted surfaces as well as plastic fabrics. Depending upon the degree of dirt, LEYCO-LS 3 can be diluted 1:5 to 1:30 parts water

LEYCO-LS 3 can be used in almost all types of industry as a general cleaner for floors and surfaces, or as a specific cleaner where in hard to clean areas. Its excellent degreasing and cleaning action, leaves even the dirtiest of surfaces looking fantastic.

- Removes oil, fat, graphite, coal, ink, wax and other forms of dirt
- Solves automatically contamination
- Can be used on metal, concrete, ceramic, marble, plastic and other painted surfaces
- Neutral odour
- Extremely economically, dilute with 5 - 30 parts water
- Wide variety of applications
- Biodegradable - free of organic solvents and chlorinated hydrocarbons

2 Litre Hand sprayer

With the hand sprayer the diluted cleaning products can be pressure applied to smaller surfaces.

Article-No.: 80.402, Long spray extension: Article-No.: 80.413

LEYCO®-LS 3

- Removes oil, fat, graphite, coal, ink, wax and other forms of dirt
- Solves automatically contamination
- Can be used on metal, concrete, ceramic, marble, plastic and other painted surfaces
- Neutral odour
- Extremely economical-ly, dilute with 5 - 30 parts water
- Wide variety of applications
- Biodegradable – free of organic solvents and chlorinated hydrocarbons

LEYCO®-LS 3

Product-No. 20.110

INDUSTRIAL SAFETY CLEANER WITH STRONG DEGREASING EFFECT

AREAS OF APPLICATION

LEYCO-LS 3 has a wide range of uses such as the building and ready-mix concrete industry, printing, workshops, food and beverage industry, vehicle parks, heating and ventilation systems, building cleaning, industrial companies, machines, etc...

LEYCO-LS 3 quickly removes a variety of dirt's like graphite, fats, oil, coal, ink, wax, industrial dirt, soot, sweat, smoke resin, algae, moss and other persistent contamination on metal, concrete, ceramic, marble, plastics and painted surfaces, plastic fabrics etc...

DESCRIPTION

LEYCO-LS 3 is a safety solvent based on inorganic substances and silicates with anionic tensides. It is free from organic solvents and contains no chlorinated hydrocarbons.

BENEFITS

- not inflammable
- not harmful to health
- biodegradable
- economical
- solves automatically contamination
- neutral odour

TECHNICAL DATA

Density: 1,08 g/cm³
Appearance: yellowish, clearly
Dilution: 1:5 - 1:30
pH value: 13

APPLICATION

Depending upon the degree of dirt, LEYCO-LS 3 is mixed with 5-30 parts water, and applied with the use of a sprayer, brush or cloth. Allow the solution to react for a few minutes, before wiping it away with a cloth or clean water.

Rinsing on painted surfaces is not necessary. LEYCO-LS 3 is suitable for use through all commercial pressure and steam cleaners. The most economical way of applying LEYCO-LS 3 is by spraying it onto the surface and then washing it away with plenty of clean water through a pressure washer.

Do not allow LEYCO-LS 3 to dry on glass surfaces.

STORAGE

Protect from frost. Store in a cool dry place. Protect from fire.
Minimum shelf-life 30 months. Store in sealed containers

PRECAUTIONARY MEASURES

Avoid contact with eyes and skin.
Immediately wash splashes off skin.
Use rubber gloves.
